

MAKING A **BIG** SPLASH!

Corralville, IA

Project Description:

A new water park facility was constructed in 2004 for the city of Corralville, IA that included a splash pad area with big ground sprays and a colorful water dome. The pool area features a colorful, interactive Multi-Play System VII water play structure.

ARC Products Used:

Multi-Play System VII, Arch Jet Tunnel, Upward Spray Ring, Stream Jet Manifold, Geyser, Stream Jet, Water Dome.
